SUFFERING AND WANT

A NUMBER OF CASES OF DESTITUTE PEOPLE IN OCALA.

An Old Woman Turned Out of Doors—A Young Woman and Two Babes

WALKING THE STREETS.

With all of her prosperity there is a good deal of misery and want in our city. There has been since yesterday a young woman with two children—one and three years old—walking our streets, trying to find a little hut to shelter herself and little ones.

She is utterly destitute, entirely out of money, and very scant of clothing. She has a few things in the depot, but has no money to pay the charges on them.

This poor mother is willing to work at anything so that she may earn a decent living for herself and babies.

This is a woman who was in Ocala some time ago and was helped by the Woman's Relief corps upon an urgent request of a lady at Williston to send her up to that place, where she would provide a home for her, provided this woman, whose name is Mrs. Thomas, would work for her.

The corps made up the money and sent the poor woman up to Williston, and upon her arrival there found that she had been basely deceived, and the woman who wrote such an encouraging letter would do nothing for her.

After living as long as she could subsist in that place she came back to Ocala.

What has become of the retreat for the sick and poor that was talked of some time ago? There is great need in Ocala of such an institution. We could begin on a small scale and gradually increase the institution until our city would have an ample asylum for this class of dependants.

A great many of our people will do nothing until we can have an elaborate hospital at a great cost, which is entirely beyond our means at present.

The above case is not the only one that the STAR is aware of.

An old lady living with her daughter in the northeastern part of the city has been shoved out of doors by a heartless son-in-law, who deserted his wife, and recently came back to live with her after she had begun to make a living by hard work for herself and poor old mother.

Now this poor old soul is on the charity of the public, and too old and decrepit to work.

And this is not all.

Can nothing be done to alleviate all this suffering?

The following passengers left today on the Plant system: Ed Dentors, for Memphis, Tenn.; F. L. Batchelor, Eaton, Ga.; Mrs. Fripp, Helena, Ark.; Mr. Thomas H. Holmes, for some point in Georgia.

SAILOR HATS!

Two cases just received. "All the latest styles" at Mrs. C. A. BROWN'S.

A certain young gentleman well known in Ocala is very anxious to learn the German language, but don't mention it, for he would not have it known for anything.

Figures do not lie. Multiply \$36 by 7 and you have \$500—provided you invest seven times thirty-six with the Covenant Building and Loan association. Ask M. M. Little about it.

Harry Bullock, son of Ray Bullock, is very sick at his father's residence in this city. Dr. Thompson is waiting upon the boy, and he is in good hands.

Mrs. H. Stacy, at corner of Magnolia and Fifth street, will want a few good gentleman boarders at \$3.50 per week. Best of accommodations in town for the money.

The carpenters have reared the sky scraping stanchions on the new armory to support the walls and scaffolding. The building has begun to take on quite a heavenly aspect.

J. Imboden Finney, the well known lawyer, while fooling with a pistol yesterday at Ray Bullock's house, discharged the weapon, the ball taking effect in his hand—and now he is sorry that he spoke.

The Covenant Building and Loan association will pay you 8 per cent for the use of your money, or loan you theirs at 6 per cent. Which do you prefer? M. M. Little will explain to you.

Uncle George and Marion Hose No. 1 will get there in the run. They broke the record last night as well as Uncle George's foot, but that veteran says the darkest hour is just before the dawn.

The boys of the reel cart were out practicing last night and did some good running. They get better every time. If those Atlanta people don't look out they are going to hear something drap.

Davidson & VanEchop, the old reliable haberdashers, will begin moving their stock of goods into their new and commodious store this afternoon and will be permanently domiciled there by the 1st.
